ELEMENTARY 49 (2009),

MEDIUM 63 (2002),

ADVANCE MEDIUM 90 (2012)

Teams can be made up of a minimum of three and a maximum of four riders, three scores to count which allows for teams who can't field a fourth rider. (A Minimum of three different levels and no more than two at any one level)  
Teams can be made up of any four riders irrespective of membership of an affiliated club.

In calculating the team total, the best three scores will count. In the event of a tie for any team placing the fourth riders score will count. Therefore a team of only three members must be at a disadvantage if equality with a team of four arises. In the event of further equality the collective marks for all four team members shall be added together and the team with the highest total shall take the higher place.
