4.30* - 6.30* - From poles on the ground to 40cm.**

This early session is for children on their ponies, who may not have experience competing and would like to gain confidence learning a course and practicing over very low jumps. The warm up will be for ponies only between 4.30 and 6.15pm. Special prizes will be awarded to combinations who have made progress throughout the series. Assistance is allowed whether on or off lead rein.

6.30* - 7.15* - 40cm to 60cm

Suitable for all (Juniors/Seniors/Ponies/Horses), access to the warm up from 6.15pm only.

7.15* onwards - 70cm+

Suitable for all, heights on request.

*Times and heights are approximate and may be subject to change to suit all the riders attending. We will be happy to put fences up and down during the time slots to allow those who can't arrive until a bit later to ride at the heights they wish.

** We appreciate this early start might not suit everyone, we're trialing it to see if it might suit those with young children who would like to get them home before it's too late or too cold!
